

KKCOM STP Memo & Instructions

The KKCOM STP-L Call for Projects for FFY 2027-2031 opens October 27, 2025 to fill FFY 2030 and 2031. It will be open for eight weeks, closing December 19, 2025.

***** Please note that if you have a project currently in the Contingency Program, you must re-apply in this call to remain in the Program *****

New eTIP Platform

In order to apply, you'll need to request access to the new eTIP platform. CMAP staff will review user requests within 1 – 2 business days. You may be contacted by CMAP staff if additional information is needed. Please review [this form](#) to begin. CMAP created a [Playlist of eTIP Training Videos](#) that we strongly recommend viewing prior to starting your application.

Schedule

2025 and 2026 Deadline and Actions

This schedule is most applicable to municipal budgeting and planning as it details approval and award determination.

Scoring and Provisions

KKCOM STP Methodology

KKCOM STP Programming Policies and Procedures

These documents provide the scoring methodology and programming rules for the KKCOM STP program. The Methodology applies more to scoring, where the Policies and Procedures apply more to administrative provisions.

Application Supplement Forms

The KKCOM Application Supplement Forms are available on the [KKCOM STP Program](#) webpage. These forms are required to provide KKCOM staff with project information that is not easily accessible—or not included at all—in the eTIP system. Essentially, the supplement forms translate the KKCOM scoring methodology into a user-friendly spreadsheet format. There are two versions available: one for Asset Management projects and one for Roadway and Intersection projects. Both forms have been updated with mostly drop-down options to simplify completion.

PASER Information for Pavement Scoring (Asset Management Projects)

Project sponsors must complete the following forms:

- [PASER Asphalt](#) or [PASER Concrete](#) Evaluation Form
- [PASER Photo Template](#) for Pavement Evaluation Form

Additional information can be found under **PASER Resources** on the [KKCOM STP Page](#).
