FROM: Council Staff  
RE: KKCOM FFY 2027-2031 STP-L Staff Recommended Program Request for Public Comment

The FFY 2027-2031 STP-L draft program is now available for review. The public comment period will commence **March 2** and close **April 1 at 5 p.m.**

Upon conclusion of the public comment period, council staff will create a report addressing all comments received. Suggestions requiring changes or accommodation will be addressed prior to approval of the draft program at the **April 16** KKCOM Transportation Policy Committee meeting and final approval at the **May 28** KKCOM Full Council meeting. Final program adoption will take place **June 11** at the CMAP MPO Policy Committee meeting.

The draft program includes the allocation of \$64,071,518 in programming authority of Surface Transportation Program funds over a five-fiscal-year period beginning October 1, 2026 (Federal Fiscal Year 2027). This includes the allocation of \$25,871,782 for FFYs 2030 and 2031. Funds were allocated to projects on a *first-ranked, funding available in-year* basis, utilizing the [KKCOM STP Methodology](#) and in accordance with the [KKCOM STP Programming Policies and Procedures](#).

Included is a Contingency Program of projects that were not initially selected for funding but may enter the Active Program should projects drop off or additional funding become available. This Contingency Program becomes effective October 1, 2026 as the FFY 2025-2029 Contingency Program expires September 30, 2026.

#### **Programming Methods:**

Staff moved projects first into their respective fiscal years based on rank and then on schedule. Rank was prioritized, with consideration given to fiscal constraint within each year, in compliance with the [Active Program Management Policies and Procedures](#).

#### **Program Color Coding:**

In the Program, a cell colored **blue** denotes that a project has been awarded a reduced amount from what was requested. This is either the result of a reduction to accommodate a project within a fiscal year for which fiscal constraint would be breached or (in the case of Asset Management projects) the Roadway Condition score reducing the total funding amount for which a project can be eligible per the KKCOM Programming Policies and Procedures.

Those wishing to participate are encouraged to review the information provided and provide a public comment.

**\*\* Please email your public comment to [planningstaff@kanecountyil.gov](mailto:planningstaff@kanecountyil.gov) with the subject title "STP Public Comment". \*\***
