

# Galligan Road Roadway & Intersection Improvements

**Thank you for attending the Public Meeting for the intersection and roadway improvements of Galligan Road between Binnie Road and Freeman Road.**

Located in the Village of Gilberts, the study addresses safety and operations of the Galligan Road at Binnie Road and Freeman Road intersections. We will present the preferred alternative and its impacts, as well as explain why the alternative was selected.

The project is currently completing the Preliminary Engineering & Environmental Studies phase expected to be completed late 2025. Plan Preparation & Land Acquisition is estimated to be completed mid-2027 with an estimated construction completion in 2028.

**All correspondence regarding this project should be sent to:**
