Northbound Randall Road at Prairie Street Lane Closure by City of St. Charles

August 28, 2024 - Next week, the City of St. Charles will begin the Prairie Street Reconstruction project requiring the closure of Prairie Street from Randall Road eastward for a significant timeframe. See the City's website for progress updates of this municipal project.

This work will also require a northbound lane closure on Randall Road from south of IL Route 38 to Prairie Street. Therefore, Randall Road will be limited to a single northbound lane starting on Tuesday, September 3, 2024 at 7:00 AM. This configuration is expected to remain through Friday, September 20, 2024, weather permitting.

Motorists are strongly encouraged to seek alternate routes for northbound trips through this area.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
