REVISED - Meredith Road at Union Pacific Railroad Closure

August 14, 2024 - Weather permitting, on Tuesday, August 27th the Union Pacific Railroad (UPRR) will be closing Meredith Road at the railroad crossing about ¼ mile north of IL Rt 38 in Virgil Township. This full road closure will allow for the railway crossing to be safely reconstructed, improving the riding surface for Meredith Road motorists.

The road is scheduled to be closed at 7:00 AM on Tuesday, August 27th and is expected to reopen by 7:00 AM on Thursday, August 29nd, weather dependent. The posted detour route will use Beith Road, Thatcher Road, N Broadway St., Liberty St., Main St., Countyline Road and Keslinger Road to divert traffic around the construction area (see attached map). Motorists should be prepared to reduce their speed, exercise caution, and to obey all traffic control devices.

**Schedule is subject to change by UPRR.*

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
