REVISED - Temporary Closure of Western Avenue in Geneva

August 14, 2024 - Starting Monday, August 19th through Sunday, September 29th, Western Avenue in Geneva will be closed at the intersection of Fabyan Parkway to give crews room to safely expedite pavement removal and replacement for this portion of the project, weather dependent. Local roads and Western Ave north of the intersection will remain open to local traffic and school buses. Detour routes around the road closure will be clearly marked for drivers.

Emergency vehicles will continue to have access to north Western Avenue throughout the construction. Passenger vehicles are prohibited from using any Emergency Access areas reserved for emergency vehicles.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
