March 28, 2012

PRESS RELEASE DUNHAM ROAD

Temporary daily lane closures of the inside southbound lane of Dunham Road, located south of the Dunham Road/Stearns Road/IL 25 intersection, will begin the week of April 2, 2012, weather permitting, for approximately 2-3 days to allow crews adequate room to repair concrete pavement on Dunham Road.. The temporary closures will be from 8:30am until 5:00pm and drivers should pay close attention to the new lane configuration as they travel along this route.

The County asks that you allow additional travel time and exercise caution while driving through the construction zone. We apologize for any inconvenience that these interruptions will cause and thank you for your continued support and cooperation through this construction season. Concerns about the delays should be addressed to David Boesch at 630-845-7875.
