Granart Road Closure Beginning October 2nd

September 27, 2023 - Granart Road will be closed to through traffic from Mary Drive to Rhodes Avenue beginning October 2, 2023 until October 16, 2023, weather permitting. This closure is being done for the safety of the public and workers, expedites construction, and allows crews better access to the site. Although closed to through traffic, this portion of road will remain open to local traffic only. A posted detour will be in place utilizing Jericho Road, Hinckley Road, West County Line Road, US 30 and Dugan Roads.

This closure is part of the continued construction of the Dauberman Road extension project which consists of widening, reconstruction, and extending Dauberman Road from US 30 to Granart Road. Single span bridges will be constructed on Dauberman Road over US 30 and over the Burlington Northern and Santa Fe (BNSF) Railway. The work which will consist of earthwork, pavement removal, roadway reconstruction, pavement widening, sidewalk and multi-use path, storm sewer, landscaping and bridge construction. The anticipated completion date for the project is November 2024, weather permitting.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
