Scott Road to Remain Closed Due to Storm Damage

July 14, 2026 - Scott Road will remain closed until further notice due to roadway damage caused by storms over the Fourth of July holiday.

The Kane County Division of Transportation is working to repair the damaged roadway. During the closure, traffic will be detoured using Harter Road, Main Street, and Dauberman Road (see attached map).

Motorists are encouraged to avoid the closed area while repairs are underway.

Visit our [Traffic Advisories](#) webpage for more information on road closures, detours, and active KDOT projects.

*Motorists should expect delays while traveling through the work areas, consider alternate routes and expect additional commute time. Motorists are asked to reduce their speed, watch for construction workers and vehicles entering and leaving the site and obey flaggers and traffic control devices. **It is illegal to talk or text on a cell phone while driving.***
